

## BLACKBOARD LIBRARY MODULES

There are **two Blackboard Library Modules: Library Catalog** and **Periodicals**. These are separate from the TIP modules and may be accessed only through certain Blackboard courses. They will explain how to search Delaware Tech's library catalog and EBSCOhost for periodical articles. The **two modules and two quizzes must be completed with a score 85% or above**. Your instructor will assign the due date. *It is your responsibility to be sure the Wilmington Campus Library receives the Blackboard Library Module results. The library will keep your results for five years in case you need a duplicate copy.*

### To access a Blackboard Library Module:

- Login to MyDTCC (<http://my.dtcc.edu>).
- Click on the **My Course** tab.
- Locate and click on the link for the course assigning these modules (ex: ENG 121-Composition).
- Click the **Bb Library Modules** button on the left hand side of the screen. There are two folders: **The Library Catalog** and **Periodicals**.

### Once in a Module (The Library Catalog or Periodicals):

- Read the Tutorial. (Print out if you wish).
- Complete the Quiz.
- Submit the Quiz and check your score on page one of the Review Assessment or under Tools>My Grades>View Grades.  
(Remember: 85% or above).

### If your quiz score is 85% or above:

- **Print two copies of page one of the Quiz Review Assessment.**
- Deliver one copy to the Wilmington Campus Library and save the other copy for your records.

### If your quiz score is less than 85% or below:

- Quiz results less than 85% will not fulfill your library module requirement.
- You can retake the quiz by clicking on the quiz link again. You can retake the quiz at any time.
- Your new score will replace the previous one.

### Repeat the entire process for the second Module.

Please contact your campus library  
if you have any questions or problems!
